Caleb: Also, I expect you to have both _Attack of the Clones_ and _Revenge of the Sith_ when I get home tonight.
Caleb: I've got these next three days off and I want to make the most of it.
me: easily done
Caleb: You'd think so.
Caleb: But I had a heckuva time trying last night.
Caleb: Granted, I was gin-blind.
me: yeah, and I had a hell of a time getting Morrowind to run last night for same reason
me: then did it in two minutes this morning
me: so outlook is good
Caleb: Oh, aren't we a pair!
me: you guys should do a segment on E3
Caleb: We just did.
